

BOOK ORDERING

Thanks for hosting PaleoJoe at your school. Several teachers have asked about purchasing books. I would love to sell books to the teachers and students who wish to purchase them. I have enclosed an order form you can give the teachers and send home to students. I will be happy to autograph them individually to the students and either deliver them to the school or send them to you.

- **AFTER THE EVENT, send original order forms home for those who may want to purchase books after seeing the presentation.** If you can set a deadline for returning the forms and have one check cut to PaleoJoe, that would be best. The books ordered will receive personalized autographs so I would need the first names of the students, the best way to do that is to send me copies of the order forms or have a teacher do a spreadsheet listing students names and books they want. You can send order form copies to

PaleoJoe, 600 Crescent Drive, Midland, MI 48640

INVOICING

- In order to not be charged sales tax on the purchases, the checks for book orders should be made out to your school, and then **your school should send one check payable to PaleoJoe.**

Again, thank you so much for your patronage. PaleoJoe is very proud to be able to help schools educate the children of today...because they will become the leaders and visionaries of tomorrow!
